This letter is to recommend Tiffany Darrell of Tiffany's Catering for her outstanding service and food at Cal Poly Pomona's Kellogg Honors College Book and BBQ event. Tiffany is a former student and graduate of Cal Poly Pomona, Collins School of Hospitality and also graduated Cum Laude from the Kellogg Honors College.

Because Tiffany was an exceptional student in the Honors College with an excellent academic record, we were confident of her success in reaching her career goals. I was a privilege and honor to have her company "Tiffany's Catering" cater our special annual Book and BBQ event for our incoming students, as well as Honors faculty and staff.

Tiffany's provided a menu that not only fit our theme but was very generous with her options and provided a variety of items, even accommodating our vegetarian and vegan population. The service was excellent, the food was great and we received many complimentary comments. Tiffany provided a full range of services, including floral centerpieces, linens and rentals of tables and chairs.

With the success of this event we definitely would recommend her catering services to any University, college campus or anyone looking for a great caterer.

Please accept this letter on behalf of our entire staff at the Kellogg Honors College. Tiffany's Catering is capable for fulfilling your catering needs. Please contact me if you have any questions or if I can help you any further. My office number is (909) 869-3355.

Sincerely,

Dr. Suketu Bhavsar
