

An Eldon James Company

Tubing Innovation to Better Protect the Flavor of Beer

Introducing the world's first
PVC FREE and Antimicrobial
home dispensing Kit

- 3/16" x 7' Brew Ultra Barrier™ Silver coiled beer line
- 5/16" x 5' Brew Ultra Barrier™ Gas coiled gas line
- Handy Clamps

Antimicrobial & PVC Free Home Dispensing Kit

Antimicrobial

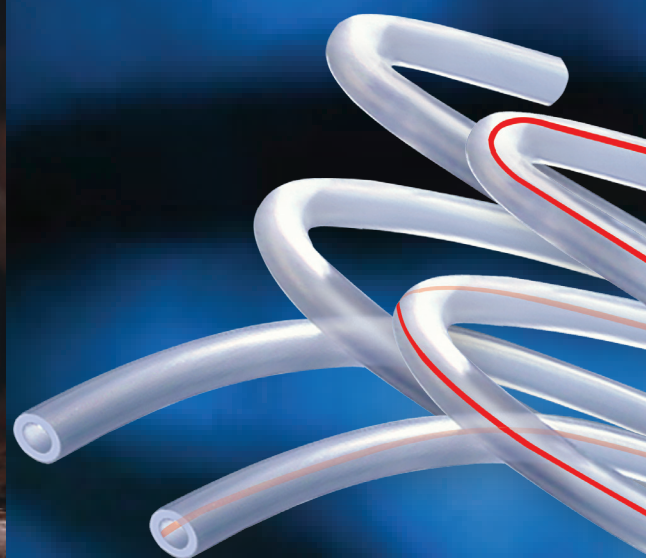

- Proven effective against top 4 beer spoiling bacteria
 - Acetobacter lovaniensis
 - Wickerhamomyces anomalus
 - Lactobacillus brevis
 - Pseudomonas aeruginosa
- Protects flavor and sustains quality between cleanings

PVC Free

- No harmful Dioxins or Phthalates
- Tubing does not impact taste of beverage
- Maintains clarity and flexibility

Coiled

- Cleaner and more efficient routing
- Helps minimize "warm spots" in beer line
- Looks great in your system!
