

# ARCTIC BERRY

## What is all about?

What if you could discover all the benefits of a chemical peel and microdermabrasion treatment using natural and organic skin care? This spring, Éminence Organic Skin Care is thrilled to introduce the Arctic Berry Illuminating Collection, a new 3-step peel and peptide system to help you transform your skin and reveal your radiance naturally. Begin with an active **exfoliation** using papaya enzyme and ground wild cherry bark, followed by an **activating** peel created with naturally-derived acids from flowers and sugar. Then apply a soothing and revitalizing moisturizer with the **illuminating** and collagen-boosting power of hibiscus seed botanical peptides, yellow plum, and gardenia stem cells. An exquisite blend of arctic berries, lingonberry seed oil and hibiscus seed extract forms the base of all three products for an active renewing and resurfacing system that is safe for all skin types, including sensitive, rosacea and acne-prone skin Restores radiance 80% Reduces fine lines and wrinkles 80% Reduces dark spots 80% Improves dullness 100%.
