Celebrating 85 Years: 1926-2011

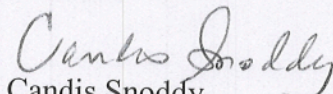

November 11, 2011

To Whom It May Concern:

I am writing this letter of endorsement on behalf of Tiffany Darrell and Tiffany's Catering. The UCLA Center for 17th- & 18th-Century Studies and the William Andrews Clark Memorial Library has worked with Tiffany's Catering for the past two years and we have been extremely pleased with the cuisine, the service and presentation, the pricing and the variety of food offered. Our organization plans over 35 programs a year, ranging from small luncheons and meetings to receptions for large lectures, conferences and other public events. Our conferences consist of breakfasts, lunches and receptions for anywhere from 50 to 75 people per day, to our larger lectures and public event receptions which generally run 100 people. We also organize one or two special fundraising or donor events each year for 100 to 120 people and again Tiffany's Catering has been able to provide for all our needs for these more formal occasions.

In closing, Tiffany's Catering has always been able to accommodate our needs, keeping in mind our strict budget and adherence to the quality of the food and the presentation. The vast menu offered includes a large selection of vegetarian and vegan items and special order requests are handled with ease. We have been very satisfied working with Tiffany's Catering for our events.

Sincerely,

Candis Snoddy
Assistant Director
