Windmill in the winter...

Change is constant at Windmill Gardens as we flow from Fall into the Holiday season. We invite you to take part in this change as we seek to offer *fresh & local* agricultural products in addition to our own seasonal assortments.

In the fall, Windmill Gardens abounds with home grown pansies, kale, mums, and more mingled with autumn themed gift items, and our ever present garden essentials such as yard tools, pottery, soils and amendments.

The holiday season, means the Grand Opening of our Poinsettia House— the best poinsettias in Puget Sound are grown right on site. Pair them with unique Christmas décor, aromatic fresh greens, and wreaths, and we are Sumner's one stop holiday shop.
