Any wines, champagnes or other liquors made as a special request can be purchased with the approval of the Director of Catering. Pending approval, the Client and the Director of Catering must determine a specific number of bottles that will be provided. When that number of bottles has been consumed, the beverages will revert to the agreed upon service. Prices and Availability Subject to Change Without Notice. Bars on consumption are an option for groups less than 50 guests only. Consumption prices are available from your Sales Representative. Shots and doubles will not be served at any event. Sambuca Catering does aggressively card guests that appear to be under the age of 30.
