

Bell Canyon Primitive Horse and Hiking Trails are for your enjoyment. Motorized vehicles are prohibited on the trails at all times. Dogs must be on a leash. Conditions on trails can change dramatically and rapidly due to weather or other factors. These trails are primitive and have exposed rock with loose footing. Portions of some trails are steep. Exercise good judgment and honor posted signs. Stay on the trails. Please report any hazards to the Associations Office, Guard Station or via the web to the Trails Committee at www.bellcanyon.com

This map is a guide to facilitate your use of the Trail's System. In this connection, it is not to be constructed as an abandonment or waiver of any of the Bell Canyon Association's Rights, all of which are reserved.
