To Whom It May Concern:

It is with great confidence that I recommend Tiffany Darrell dba Tiffany's Catering.

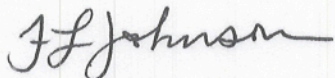

In the 3 years that I have worked with her at Southern California Edison, she has exemplified customer service. Tiffany's Catering has provided an array of menus and service options - from full service events to boxed meals, including breakfast, snacks and lunch service.

The entire process has shown her dedication to creativity and commitment to superior catering services. Each event was prepared fresh and delivered promptly by her friendly and purposeful staff. Her menus are innovative and the food just "plain tastes good."

I also have the full assurance that if anything was to go wrong, and thankfully it hasn't, that the solution is just a phone call away. I am convinced that any issue would be resolved immediately. The level of commitment that I have seen has been very satisfactory.

I have received excellent service and believe that you would too. Please feel free to call me if you have any questions or would like to speak in more detail in person. I can be reached at (310) 980-8365.

Sincerely,
