“Grand Opening of Innovative New Salon in Ossining”

VaZa Salon, the creation of sisters Val Tana and Zamira Cutra, is located in the former Ossining National Bank building in Ossining, NY. The sisters restored the bank's marble columns and exposed brick walls, used refurbished wood and dressed up the corner location with floor to ceiling windows that bring in sunlight.

“It gives you that sunny, flowing oasis feeling, which has a healing and soothing quality,” says Tana. “Amazing hair and experiences are at VaZa Salon's core culture. We offer trendy styles and our creative vision for beautiful hair.” The salon hosts a grand opening event on April 10 from 6 to 9 p.m., with four grand prizes valued at \$200 each. Those interested can R.S.V.P. by April 3 to Zamira@VaZaSalon.com or by calling 914.800.9137.

Services at VaZa Salon include complimentary consultations, ombre highlights, curly cuts and design cuts for men, women and children, scalp massages, bridal parties and makeup. Clients can also choose the popular balayage highlighting technique, offering a natural, sun-kissed look. “Another growing trend is embracing your natural curls,” says Tana. “We specialize in curly hair and encourage woman to explore their natural curl pattern. Our stylists use a dry cutting method, cleanse the scalp, and set hair using friendly products made for curls.”

VaZa Salon uses certified organic botanicals and styling products that are free of parabens and sulfates.
