CLIENT STORIES

- Linda H. had her joint pain completely go away. (She had been doing 3 doses of ibuprofen daily for over 15 years.) She also had her dermatitis go away. (She had this since childhood.)
- Ellen C. could smell for the first time in 18 years (combination of detox and the sauna).
- Steve K. dropped his cholesterol by 39% and his triglycerids 61% with our detox program.
- Detian D. changed his body fat by 32% in just 3 weeks. (He went from 9 to 6% body fat.)
- Kelly M. actually had an aversion to meat and was battling stubborn body fat prior to detox (due to low HCL and low Zinc); after a detox she met her fat loss goals, her energy increased dramatically, and she craved meat.
- After improving Annie C's digestion with detox, she no longer had an aversion to eating meat.
- Elizabeth has spent \$1000's in 9 months on a skin condition that went away by adding zinc to her diet.
- Trudy L. detoxes every time her hot flashes kick in.
- Victoria H. normalized her menstrual cycles for the first time in years!
- Chris P. discovered a number of food sensitivities doing detox—leading to more fat loss down the road!
- Steph D. believes the detox flushed out her system after chemo and has kept her cancer from recurring.
- Tom G's symptoms from ulcerative colitis completely disappeared with the detox.
- Hillary C., a diabetic, was able to significantly drop her insulin need with the detox.
- Derek R. kept all his weight off 1 year after a detox without any other nutrition coaching.
- Maddy K., after trying every weight loss program for 3 years, was able to lose 8 pounds.
- Sarah K., one of the spouses of a detox client sleeps better now—her husband stopped snoring!!
