CATERING SERVICES

Moonstar's catering service is known as one of the Bay Area's best. Let our service save you time and effort planning your next event, such as, corporate event, birthday party, baby reception, and memorial service. Our food will make your gathering memorable. Our knowledgeable staff will help you organize your function.

Enjoy five star quality cuisine from our experienced chef in a unique setting for you and your guests. You'll like our dependability and reasonable rates, and your guests will love our food! Also we are proud to offer one of the largest food selections.

If you would like to customize your menu you can work with our catering service management team.

You can choose from our menus listed here, to fit the size of your function and budget. We serve the whole Bay Area either by delivery or pick-up.

HOW TO USE THIS MENU GUIDE

To calculate your catering budget multiply the item price by the number of servings you wish to have. For example:

A3. Shumai \$0.75 / piece x 20 pieces = \$15.00

Add all the prices of each page to calculate the page total.

List all the page totals on page 11 and add the totals together to figure your total budget.

APPETIZERS

Moonstar catering uses the freshest, highest-quality ingredients for all our menu items. Try some of our unique, one-of-a-kind appetizers, which you could only find here.

Our appetizers are the perfect food to serve for your next gathering. You'll be pleased with the convenience and your guests will be happy with your choice.
