ZO (by Obagi) Facials Free Skin Consultation

Express Facial

30-min \$60

Created specifically for the person on the go, these customized facials are uniquely designed to give maximum results in minimum time. Formulated to refresh, renew and revitalize. These treatments work with all skin types to reveal more youthful, healthy skin.

Ultra Hydration Facial Treatment

50-min \$125

This elegant treatment begins with a gentle hydrating cleansing and micro-exfoliation to remove surface debris. Using mulberry extract, with kojic and lactic acid, the skin is prepped for a triple action resurfacing process to enhance brightness and clarity, as well as to address skin texture, fine lines and wrinkles. Skin is vibrantly clear, firm, strengthened and protected.

Skin Brightening Facial Treatment

50-min \$125

This brightening treatment creates a radiant, more even skin tone and texture with citric, salicylic and lactic acids to increase skin brightness, clarity and minimize pore size. Moisture-rich cleansing and mild exfoliation is followed by a vitamin-fortified calming massage. To further brighten the skin, the skin brightening sheet masque, with arbutin and green tea is applied to minimize the production of excess skin pigment and supply ample hydration to the tissue.

Acne & Oil Control Facial Treatment

50-min \$85

Recommended for teens and adults. Cleansing gently removes impurities, followed by a micro-scrub to prepare the skin to easily address the extraction process by removing remaining debris from the skin surface. A combination of AHA's and salicylic acid are used to minimize the excess oil production and tighten pores. Skin is visibly clean, clear and calm.

Gentleman's Facial

30-min \$65

Indulge yourself with a soothing yet corrective professional treatment as detoxifying clays and cacti extracts provide balance and tone. Relax under heating and cooling applications while the sensation of Massage Oil, with its blend of essential oils and vital antioxidants, moves over the skin like liquid silk, facilitating the penetration of other active ingredients for healthy, hydrated skin.

Chemical Peels

Stimulator Peel Treatment (No Downtime)

25-min \$75

This revolutionary beta/alpha acid peel stimulates cellular function, reducing fine lines and wrinkles and improving overall skin one, texture and clarity without downtime.

Medical 3-Step Stimulation Peel

25-min \$250

Remove the outermost layers of skin and stimulate deeper skin layers for more profound benefits, increasing cellular function. Improves acne, melasma, sun damage, fine lines, rough texture, large pores and dullness. Suitable for any skin type or color and can be repeated every 3-4 weeks.

The HydraFacial®

The HydraFacial® resurfacing procedure thoroughly cares for your skin, providing cleansing, exfoliation, extractions and hydration, including VortexFusion® of antioxidants, peptides and hyaluronic acid. The HydraFacial® is non-invasive, non-surgical procedure that delivers instant results with no discomfort or downtime. The procedure is immediately effective.

Express HydraFacial® 30-min \$99

HydraFacial® For Normal To Dry Skin 45-min \$145

HydraFacial® For Oily Or Congested Skin 45-min \$155

HydraFacial® For Fine Lines & Wrinkles 45-min \$165

HydraFacial® With Glycolic Peel 45-min \$165

This advancement in skin resurfacing technology combines the benefits of aggressive exfoliation and chemical peels into a one-step resurfacing procedure. It blends the HydraFacial® and VortexFusion® with cell sloughing capabilities to deeply clean and exfoliate.

HydraFacial® for Body Starting From \$175

Microdermabrasion

30-min \$75

Microdermabrasion smoothes your skin's texture by gently exfoliating the damaged outermost layer, revealing young rejuvenated skin underneath. This treatment is without pain or downtime.

Dermaplaning

25-min \$70

A simple and safe procedure for exfoliating the epidermis and ridding the skin of fine vellus hair (peach fuzz). This non-invasive skin rejuvenation treatment is designed to make skin feel smoother and appear healthier and more youthful.

Add Dermaplaning To Any Treatment For Only \$50

Dermapen

30-min \$250

An instrument that uses a small series of needles to pierce the skin and break up scar tissue. Used to tighten, lift and rejuvenate the skin; reducing wrinkles and fine lines, minimizing pore size, and erasing stretch marks and scar tissue.

Laser Hair Removal

Laser hair removal is non-invasive and non-surgical, selectively targets dark, coarse hairs while leaving surrounding skin undamaged. Results in softer, smoother skin.
