Dear Lynn O'Leary-Archer & Committee

It is my pleasure to write this letter on behalf of Tiffany Darrell of Tiffany's Catering. Tiffany's Catering has catered our Agape Women's Retreat for the past two years and has provided very good service and delicious food.

Many of the women attending the Retreat were vegetarian or vegan. Tiffany's not only adhered to our dietary needs, but also provided nutritious food with menus that fit our somewhat modest budget. Her meals were creative and well received by the participants, many of whom provided positive written feedback on the quality, taste and variety of the food provided.

We generally have over 220 women attending our four-day retreat during which breakfast, lunch and dinner are served. Tiffany's Catering was easily able to handle the volume of meals in a timely manner. This is important since completion of our activities within a time frame is essential to the success of the entire retreat.

I am happy to recommend Tiffany's Catering and have confidence that they will be able to meet your catering needs. Please feel free to contact me if I can be of any further assistance at (310) 348-1260, extension 1445 or Email: revgreta@agapelive.com.

Sincerely,

Rev. Greta Sesheta
